3. Contact details of your treating physician:

4. Statement of reasons for the application by the applicant
In order to be able to make a detailed assessment of your individual situation, we would like you to fill in the following text boxes according to your subjective experience. It is a matter of importance to the University of St.Gallen to be able to appraise your situation in as much detail as possible in order to enable us to provide you with equal opportunities in your studies. There is no standardised key as to what access arrangements are granted for what diagnosis. Therefore, a personal meeting and a precise description, as well as the evidence to be submitted, are of great importance.
a) Brief description of the effects of your disability and/or chronic illness on general functioning:

Text box

b) Detailed description of the resulting difficulties relevant to your studies and examinations:

Text box

5. On the basis of the information provided in point 2, an application is made for the following specific compensatory measures:

Text box

6. These measures are applied for the following period of time:

- [ ] Once
- [ ] For a semester
- [ ] For the entire duration of studies
- [ ] Other: Text box

7. Information

Put into force by the Dean of Studies & Academic Affairs as from April 2016
The following information may be passed on in writing to faculty members/examination supervisors and will serve to ensure an optimal examination situation that takes into consideration any specific occurrences (mode of behaviour, information about disability/illness, remarks added by the applicant, etc.).

8. The following evidence is enclosed with this application (in German or English):
   □ HSG form concerning the assessment of the necessity of access arrangements
   □ Psychological test assessment (for instance in the case of specific developmental disorders, ADHS, etc.)
   □ Confirmation of access arrangements at previous educational institutions
   □ Other documents:

With your signature, you confirm that a personal meeting with the Special Needs Advice Centre and any doubtful points have been clarified, that you have taken cognisance of the provisions of the fact sheet on access arrangements and that you accept the terms and conditions governing an application as submitted within the stipulated timeframe. The University is at liberty to have your medical certificates and assessments checked by the independent medical examiner (Gesundheitszentrum santémed St.Gallen) and to obtain information from your treating physician and/or therapist. If need be, the University may call on you to consult the independent medical examiner. The independent medical examiner is also entitled to consult your treating physician and/or therapist. With your signature, you confirm a corresponding exemption from the obligation of confidentiality.
