

GMAT Preparation Course

Do you want to improve your chances of success in the online GMAT Test? GMATZurich, a long-time partner of the University of St.Gallen, offers you the opportunity to do so, through an intensive course specially designed for this purpose. The course enables you to prepare for the GMAT examination under the guidance of a tutor with years of experience in the field. It is a hands-on course and you will be given ample opportunity to practice the techniques learned. This includes in depth training for both the verbal and mathematical skills needed for GMAT. The topics will include the following:

- Specific GMAT strategies and time management
- Sentence correction grammar review
- Reading skills for critical reasoning and reading comprehension
- Speed short cuts for math
- Data sufficiency "flow" technique
- English issues in math (word problems, terminology)
- Coping with time pressure

The course will take place if a minimum of 10 participants register; places will be allotted in the strict order of applications received.
