TOEFL Preparation Course

Do you want to improve your chances of success in the online TOEFL-Test? The Language Center of the University of St Gallen offers you the opportunity to do so, through an intensive course specially designed for this purpose. The twelve-hour course enables you to prepare for the TOEFL examination under the guidance of a tutor with years of experience in the field. It is a hands-on course and you will be given ample opportunity to practice the techniques learned. This includes the chance to have your writing skills individually evaluated. Speaking and listening skills will be improved throughout the course. You will also be provided with the best techniques for improving your reading ability. The topics will include the following:

- Structuring your writing
- Strategies for high scores in speaking
- Practicing your listening
- How to succeed in the reading section
- General test-taking strategies
- Using time pressure to your advantage
- What the test-makers want

The course will take place if a minimum of 10 participants register; the maximum number of participants will be 14. Places will be allotted in the strict order of applications received.
