The rest of the world must learn from our mistakes, says repentant Italy

As a stunned nation watches its dead being removed by the army truckload, it has words of advice for the countries not far behind.

Germany plans ‘immunity certificates’ to help end lockdown

On ANY normal day, it would be as virus hits the Holy Land

Spain saw a new record rise in the corona virus in Spain, with deaths reaching a new high.

The government’s handling of the crisis has been the subject of much criticism.

UK

But in the age of coronavirus, what if the rest of the world learned from Italy’s mistakes?
