Welcome to the Newsletter for DIA students at the University of St. Gallen. Twice a year we inform you about news, events, lectures, seminars, etc.

**New DIA students in HS19**

Amy Kaspar, Daniel Trusilo, Elizabeth Côté, Jakob Knauf, Marie-Luise Walther, Nacjune Choi, and Tanja Muller.

We wish them a good start!

**First DIA Ph.D. Poster Seminar 23rd May 2019**

The first DIA Poster Session was a success and highly appreciated by our Ph.D. students.

**DIA Ph.D. Courses Autumn Semester HS19**
Compulsory Courses

Philosophical and Methodological Foundations of Social Science Analysis, Prof. Patrick Emmenegger
Proposal Colloquium, Prof. Tina Freyburg

Data Consulting

The data consulting team provides advice for HSG students and faculty who analyze data as part of their research projects. The consulting focuses on research design and research methods, including general advice on data bases and research software. Our philosophy is to provide “help to help yourself”. Thus, we support you in the initial design of a study and/or in case of specific methodological questions at later stages. The new homepage provides further information about the consulting process and the consultants.

Seminars offered by the Department of Political Science

To receive the weekly seminar newsletter please email seps@unisg.ch

All seminars and speakers: Research Seminar Political Science

GSERM

The GSERM Global School in Empirical Research Methods at the University of St.Gallen is an integrated programme teaching research methodology.

The next GSERM will take place in St.Gallen from 6 - 17 January 2020.

DIA students may attend summer school courses. You may ask for more information on registration, courses and crediting at dia@unisg.ch

Congratulations
