Admission with A-Levels and Pre-Us (British Education System)
Specifications regarding Art. 10 of the Regulations governing the admission of applicants to the University of St.Gallen [Admission Regulations, AR].
Valid for admissions from the autumn semester 2020 onwards.

1. Subjects
Applicants with a British Secondary School Leaving Certificate (or International A-Levels) must have completed examinations in six general education subjects. Each of the below listed six categories has to be fulfilled.
Three of these subjects must be completed as A-Levels or Pre-U Principle Subjects. Mathematics or a natural science subject must be completed as an A-Level or Pre-U Principle Subject.
In addition, three further listed subjects must be taken as AS-Level, GCSE or Pre-U Short Course. A mixture of different educational systems is not permitted.

3. Additional Criteria
All applicants of foreign nationality have to pass a special admission test of the University of St.Gallen before they can take up their studies (more information on our website).

4. Enrolment
You have to apply online under [http://www.admissions.unisg.ch](http://www.admissions.unisg.ch), where you will find further important information about enrolment and degree courses. Your enrolment can only be processed, if you submit a list (issued by your school) of the chosen subjects and your “predicted grades” until the enrolment deadline of 30 April.

5. Information
Further information can be obtained from the Admissions and Crediting Office of the University of St.Gallen, Dufourstr. 50, 9000 St.Gallen, phone: +41 71 224 39 31, admissions@unisg.ch
