

## HSG Impact Scholar Community 5th Anniversary: Methods Jam

Looking for fresh ways to do sustainability and impact-oriented research? The Methods Jam offers insights into diverse, non-standard methods.

Short inputs:

- Prof. Judith Ströhle, **Engaged scholarship**
- Prof. Charlotta Sirén, **Geospatial data**
- Dr. Tobias Fehr-Bossard & Clémentine Robert, **Action research**
- Jacob Eichberger, **Eye-tracking**
- ... more to be confirmed

Connect with researchers across disciplines and career stages during the discussion rounds to get inspired and expand your sustainability research toolkit.
