**4. Information about the envisaged submission to a national or international research funding body**

For which research funding body and for which call (instrument/programme) is a submission planned?

When do you plan to submit your application to a research funding body?

## 5. Requested funding

5.1. Personal costs				
Name project employee	Level (e.g., Postdoc)	Employment rate (%)	Salary category (e.g., F8:1 for HSG)	Actual amount in CHF
5.2 Research costs				
Explanation				Amount in CHF
5.3 Further project related costs (Information on rates for travel costs)				
Explanation				Amount in CHF
Total (in CHF)				

*\*Salaries for project employees of the Eastern Switzerland partner institution: Please indicate the personal costs and the social security costs.*

**6. Available or requested funds**

Do you have access to additional funds for the Health Forward project?

Yes  No

If yes, please explain:

Have you already submitted an application to a research funding body in the past in the context of this project?

Yes  No

If yes, please explain:

Is the planned Health Forward project a preparation for a resubmission?

Yes  No

If yes, please explain

**7. Bewilligungs- oder meldepflichtige Versuche****Research requiring authorization or notification**

Is the planned research ethically critical in terms of the Regulations of the Ethics Committee of the University of St.Gallen?

Yes  No

If yes, please attach the authorization of the Ethics Committee, or contact the Ethics Committee Office ([ek@unisg.ch](mailto:ek@unisg.ch)).

*Note: The Ethics Committee provides a checklist to assess the ethical soundness of their research project*

Does your research project involve humans in terms of the Federal Act of 30 September 2011 on Research Involving Human Beings (Human Research Act HRA)?

This includes research on human diseases and on the structure and function of the human body, as conducted:

- a. on humans;
- b. on deceased persons;
- c. on embryos and foetuses;
- d. with biological material;
- e. with personal health data.

Exempt is research:

- a. on embryos in vitro
- b. involving anonymised biological material;
- c. involving anonymously collected and anonymised health-related data.

Yes  No

If you answer this question with “yes,” your research project potentially falls under the responsibilities of the Ethics Committee of Eastern Switzerland (EKOS). Please contact the EKOS directly to find out how to proceed. For information and advice, please contact the office of the Ethics Committee ([ek@unisg.ch](mailto:ek@unisg.ch)).

### **8. Other information**

Do you have any further comments regarding the application?

## 9. Attachments:

- \* In case of resubmission: Response to the reason for the refusal (max. 2 pages)
- Summary of the research plan, incl. keywords** (max. 1 page, min. font size 10) separate document
- Research plan** (max. 8 pages, min. font size 10, excl. literature)
  - The research plan should contain the following parts:**
    - Regarding the planned research project submission to a national or international research funding body:
      - Problem/Background and State of the Art
      - State of own research (own preliminary work) regarding the proposed project
      - Detailed research plan (Conceptual bases and research methodology)
    - Regarding the Health Forward start-up financing project:
      - Description and reason for the necessary preliminary work to increase the success rate
      - Schedule of the research project (Health Forward)
    - Literature
- CV of the applicant(s) and the partner(s) of the Eastern Switzerland partner institution
- Publication list of the applicant(s) and the partner(s) of the Eastern Switzerland partner institution of the last 5 years
- CV of the project employee(s)
- Publication list of the project employee(s) of the last 5 years
- Copy of the Master- and PhD degree of the project employee(s)
- Applicant(s) with the position assistant professor and postdoc: Proof of employment of at least 50% at the University of St.Gallen for the duration of the project.
- Further attachments (e.g., quotes)

## 10. Eingabe

The submission is via E-mail: [foko\\_submission@unisg.ch](mailto:foko_submission@unisg.ch). The application must be submitted as pdf-files, including any attachments (each as a single pdf file). The project submission should be at **5pm** Swiss local time at the latest of the respective submission date.

Unfortunately, submissions after the respective submission deadline cannot be considered.
