

Guest Studies at HSG – Academics | Before your guest stay
1) Course system

At HSG, the course numbers correspond to the respective semester and level of study. Please check the table below to become familiar with the semester and level of study specific course numbers. The number before the comma indicates the level of study and either Autumn or Spring semester whereas the numbers behind the comma indicate the course number. By doing so, students know what level the course is they are looking at and in which semester the course takes place. We highly recommend that you choose courses based on your current level of study at your home university.
