- Nominated by your home university in due time

Eco-friendly travel top-up

If you indicate in your SEMP Grant Agreement that you will travel eco-friendly, both outward and return journey, upload your outward journey ticket in Mobility-Online before/by the start of the semester (exact date will be communicated by e-mail). The top-up of CHF 100,- can only be awarded if you use (only) bus, train (and ship/ferry) for the entire round trip between your home university/home country and St.Gallen. The eco-friendly travel top-up can be paid only once per student, this applies also for students staying for two semesters.

SEMP Learning Agreement (LA)

The SEMP Learning Agreement will be sent to you by e-mail before the semester starts. Once you have successfully enrolled in your courses via the "bidding" (our course registration system), fill in the SEMP Learning Agreement, have it signed by your home university and upload it in Mobility-Online by the indicated date (will be communicated by e-mail).
