STUDY ABROAD

# Facilitating academic, intercultural and personal development

For many of our students a semester abroad is one of the most formative experiences of their university education. Contacts with other people, cultures, academic structures, working methods and intellectual interests are essential factors that broaden students' minds.

Specific programme information, application periods and requirements can be found on [StudentWeb](#).

## Partner Universities

Bachelor and Master students have the opportunity to spend an exchange semester at a partner university.

- Network of over 200 partner universities.
- Application takes place once a year.
- Pay tuition fees at HSG, no tuition fees at partner university.
- Min. grade average requirement 4.50.
- Specific English proficiency certificate.

### **Application deadlines for an exchange in**
