

Universität St.Gallen

Student Living

Steingrueblistrasse 24

Fact Sheet

The newly built Stadtsägi neighborhood is just the right place to feel at home. The central "Sägiplatz" invites you to meet up and enjoy neighborhood life. Spread across four floors, the building offers ten apartments designed for groups of three to eight students. Each apartment features a fully equipped kitchen with a shared dining area, creating a comfortable and social living environment.

Each bedroom is fully furnished. Duvet, pillow and bed linen are provided by the Housing Office. There is a bed linen service in the house, but towels are not included.

The rental price includes Wi-Fi, electricity, water, sewage, heating, bed linen service, free use of washing machine and dryers.
