

Letter of motivation for admission to the DOK

Surname, first name(s)

1. Please introduce yourself briefly:

2. What is your motivation for studying in the DOK programme?

3. Have you already applied for another doctoral programme at the HSG or elsewhere? If so, which one, and with what response?

4. Please give the reasons for your choice of supervisor:

5. Have you thought about a co-supervisor? Do you have any possible choices?

Please note: the co-supervisor must be indicated if the supervisor is not a member of the DOK faculty (www.dok.unisg.ch).

5. Working title of your thesis project

6. Briefly present your thesis project (question, theoretical access, methodological approach).

A large, empty rectangular box with a thin black border, intended for the student to write their thesis project details. The box occupies most of the page below the question.

7. How will the thesis project be financed?

(Is it, for example, part of a grant-funded project, is it funded, will attempts be made to fund it, or will you keep another position at the same time?).

8. For external applicants: application for exemption from integration work in Management and Finance

Please submit this application in consultation with your supervisor and draw up a precise list of all your preliminary work in the field of economic sciences.

9. Supervision

It is required that the issue of supervision has been covered in discussion with the intended supervisor. Please indicate how you will be supervised, in what form, and how often etc.

10. Additional information

Is there something that, in addition to the abovementioned aspects, should be known to the committee?
