

TRAINING IN EMBODIED CRITICAL THINKING AND UNDERSTANDING

International Program for 15 ECTS
May to December 2025

TECTU is an interdisciplinary program initiated by philosophers, cognitive scientists, environmental designers, anthropologists, and sociologists, tailored for students, researchers, and professionals from all fields.

Explore novel methodologies such as Thinking-at-the-Edge, Micro-phenomenology, Environmental Immersion, Experiential Listening, and contemplative approaches.

These methods can be applied to any form of scientific inquiry, particularly when exploring uncharted territory, fostering a deeper understanding of your subject matter, yourself, and others.

The program:

- 1. WEBINAR:** 12 sessions on Tuesdays
May-June & September- November 2025
- 2. SUMMER SCHOOL:** July 7–11 2025
in Bielefeld, Germany
- 3. INDEPENDENT PROJECT**
